Harold...

My files yielded a little more info on the "Lee Osborne" restaurant story.

In August 1963, a man answering a Thornley/Oswald description dined with three other men at the Dresden Room, 1760 North Vermont, Hollywood, 665-4294. The waitress recalls that the tab was paid with a Diners Club card issued to "Lee Osborne." An early 1968 check with Diners turned up only one Lee Osborne, at 11834 East Floral Drive, Whittier 90601.

Floral Drive is Kerry Thornley's old neighborhood. The phone directory has no current listing for Lee Osborne at that address, which is an apartment building.

The waitress who supplied the initial info to the office is named Doris Coopersmith. I have no address for her, but I believe she lives in the valley.
